Ordinary Women, Extraordinary Success: Secrets and Strategies to Grow Your Business

Wednesday, November 4, 2009, 4:30 - 7:00 pm
Westwood Country Club, Vienna, VA

Ms. Freeland is a serial entrepreneur and author of **Navigating Your Way to Business Success: An Entrepreneur's Journey**. Freeland built RGII Technologies, an information technology, systems integration, and engineering solutions company that served nine presidential cabinet agencies of the federal government. During her tenure as CEO, RGII tripled in size with revenue growing 4,800% over an 11 year period. In 2003, Freeland successfully sold the business. Her book emphasizes the importance of navigating around the roadblocks that every entrepreneur will face at various stages of business growth. www.amentrepreneursjourney.com

Ms. Lee, founder and CEO of STG International, Inc. She has more than twenty years of experience in all aspects of business operations and government contracting. She prides herself in being a hands-on executive! During her career, Ms. Lee has successfully transitioned and managed hundreds of business contracts. Under her leadership, STG has had exponential growth which demonstrates Ms. Lee's ability to rapidly adapt to new environments and responsibilities, to operate from a global perspective, and to integrate divergent concepts that result in creative solutions.
